

industry classification of the applicant concern applies for determining size. SBA will determine the concern's size independently, without regard to its affiliation with the CDC or any other business enterprise owned by the CDC, unless the Administrator determines that one or more such concerns owned by the CDC have obtained, or are likely to obtain, a substantial unfair competitive advantage within an industry category.

(d) A CDC cannot own 51% or more of another firm which, either at the time of application or within the previous two years, has been operating in the 8(a) program under the same primary SIC code as the applicant. A CDC may, however, own a Participant or an applicant that conducts or will conduct secondary business in the 8(a) BD program under the same SIC code that a current Participant owned by the CDC operates in the 8(a) BD program as its primary SIC code.

(e) SBA does not deem an individual involved in the management or daily business operations of a CDC-owned concern to have used his or her individual eligibility within the meaning of § 124.108(b).

(f)(1) A CDC-owned applicant concern must be in business for at least two years, as evidenced by income tax returns for each of the two previous tax years showing operating revenues in the primary industry in which the applicant is seeking 8(a) BD certification, or demonstrate potential for success as set forth in paragraph (e)(2) of this section.

(2) In determining whether a CDC-owned concern has the potential for success, SBA will look at a number of factors including, but not limited to:

(i) The technical and managerial experience and competence of the individual(s) who will manage and control the daily operation of the concern;

(ii) The financial capacity of the concern; and

(iii) The concern's record of performance on any previous Federal or private sector contracts in the primary industry in which the concern is seeking 8(a) certification.

(g) A CDC-owned applicant and all of its principals must have good character as set forth in § 124.108(a).

**§ 124.112 What criteria must a business meet to remain eligible to participate in the 8(a) BD program?**

(a) *Standards.* In order for a concern (except those owned by Indian tribes, ANCs, Native Hawaiian Organizations or CDCs) to remain eligible for 8(a) BD program participation, it must continue to meet all eligibility criteria contained in § 124.101 through § 124.108. For concerns owned by Indian tribes, ANCs, Native Hawaiian Organizations or CDCs to remain eligible, they must meet the criteria set forth in this § 124.112 to the extent that they are not inconsistent with § 124.109, § 124.110 and § 124.111, respectively. The concern must inform SBA in writing of any changes in circumstances which would adversely affect its program eligibility, especially economic disadvantage and ownership and control. Any concern that fails to meet the eligibility requirements after being admitted to the program will be subject to termination or early graduation under §§ 124.302 through 124.304, as appropriate.

(b) *Submissions supporting continued eligibility.* As part of an annual review, each Participant must annually submit to the servicing district office the following:

(1) A certification that it meets the 8(a) BD program eligibility requirements as set forth in § 124.101 through § 124.108 and paragraph (a) of this section;

(2) A certification that there have been no changed circumstances which could adversely affect the Participant's program eligibility. If the Participant is unable to provide such certification, the Participant must inform SBA of any changes and provide relevant supporting documentation.

(3) Personal financial information for each disadvantaged owner;

(4) A record from each individual claiming disadvantaged status regarding the transfer of assets for less than fair market value to any immediate family member, or to a trust any beneficiary of which is an immediate family member, within two years of the date of the annual review. The record must provide the name of the recipient(s) and family relationship, and the difference between the fair market value of the asset transferred and the value

received by the disadvantaged individual.

(5) A record of all payments, compensation, and distributions (including loans, advances, salaries and dividends) made by the Participant to each of its owners, officers or directors, or to any person or entity affiliated with such individuals;

(6) If it is an approved protege, a narrative report detailing the contacts it has had with its mentor and benefits it has received from the mentor/protege relationship. See § 124.520(b)(4) for additional annual requirements;

(7) IRS Form 4506, Request for Copy or Transcript of Tax Form; and

(8) Such other information as SBA may deem necessary. For other required annual submissions, see §§ 124.601 through 124.603.

(c) *Eligibility reviews.* (1) Upon receipt of specific and credible information alleging that a Participant no longer meets the eligibility requirements for continued program eligibility, SBA will review the concern's eligibility for continued participation in the program.

(2) Sufficient reasons for SBA to conclude that a socially disadvantaged individual is no longer economically disadvantaged include, but are not limited to, excessive withdrawals of funds or other assets withdrawn from the concern by its owners, or substantial personal assets, income or net worth of any disadvantaged owner. SBA may also consider access by the Participant firm to a significant new source of capital or loans since the financial condition of the Participant is considered in evaluating the disadvantaged individual's economic status.

(d) *Excessive withdrawals.* (1) The term withdrawal includes, but is not limited to, the following: officer's salary; cash dividends; distributions in excess of amounts needed to pay S Corporation taxes; cash and property withdrawals; bonuses; loans; advances; payments to immediate family members; investments on behalf of an owner, officer, or key employee; acquisition of a business not merged with the 8(a) Participant; charitable contributions; and speculative ventures.

(2) If SBA determines that excessive funds or other assets have been withdrawn from the Participant, SBA may:

(i) Initiate termination proceedings under §§ 124.303 and 124.304 where the withdrawals detrimentally affect the achievement of the Participant's targets, objectives and goals set forth in its business plan, or its overall business development;

(ii) Initiate early graduation proceedings under §§ 124.302 and 124.303 where the withdrawals do not adversely affect the Participant's business development; or

(iii) Require an appropriate reinvestment of funds or other assets, as well as any other actions SBA deems necessary to counteract the detrimental effects of the withdrawals, as a condition of the Participant maintaining program eligibility.

(3) Withdrawals are excessive if during any fiscal year of the Participant they exceed (i) \$150,000 for firms with sales up to \$1,000,000; (ii) \$200,000 for firms with sales between \$1,000,000 and \$2,000,000; and (iii) \$300,000 for firms with sales over \$2,000,000.

(4) The fact that a concern's net worth has increased despite withdrawals that are deemed excessive will not preclude SBA from determining that such withdrawals were detrimental to the attainment of the concern's business objectives or to its overall business development.
